WAUKEGAN NURSERIES

(INCORPORATED)

Est. 1848 by R. DOUGLAS' SONS

GROWERS OF
HARDY NURSERY STOCK
LANDSCAPE ARCHITECTS

Phone WAUKEGAN 30
GREENBAY ROAD
WAUKEGAN, ILL.

TERMS AND CONDITIONS OF SALE

Conditions: We accept all orders upon conditions that they shall be void should any injury befall stock from causes over which we have no control. At the low prices at which our stock is sold we give no warranty except genuineness, expressed or implied, the purchaser assuming all risk and responsibility in the transportation, planting, growth, and life of stock. Our responsibility ceases when goods are turned over to carriers.

Prices: Do not include any guarantee as to growth except as agreed at the time of purchase.

Terms: To parties unknown to us we must ask for remittance with order or a sufficient amount to cover at least one third of bill, balance to be paid on delivery of stock. Satisfactory references will also expedite shipment of goods.

Payments: All bills are due and payable the first of the month following purchase, unless otherwise arranged.

Prices for year 1929. Five plants of same variety will be charged at the 10 rate, while 50 or more of one variety will be charged at special rate. Ask for quotations on quantities.

When special selection is asked for an additional charge of 15% will be added to catalogue price for selected stock.

Packing: Stock is sold F. O. B. our Nursery. Freight or Express shipments are delivered to station free of charge, Boxing and Baling is charged at cost.

We are prepared to make deliveries by Motor Truck along the North Shore and recommend this method of delivery as stock reaches you promptly and saves unnecessary boxing and baling expenses.

Claims for errors or omissions must be reported upon receipt of goods to enable us to investigate and rectify same. Unless this is adhered to we cannot accept responsibility.

Automobile Route: Sheridan Road Route No. 42 to Waukegan, turn west on Washington St., to Green Bay Rd., No. 42A North to Nursery, or route 42A from Chicago or 57 from Wisconsin.

Picea Pungens Glauca (Colorado Blue Spruce)

This the king of Spruces. Bluish-white foliage.

A rapid-growing tree, especially when young. Good for wind-breaks.

2	-3 feet	each	\$ 4.50
3	-4 feet	"	6.50

Pinus Montana Mughus (Mugho Pine)

Perhaps the most useful of the Dwarf Pines for foundation planting. Very shrubby and low.

8-10 inches	each	\$ 2.00
10-12 inches	"	2.50
12-15 inches	"	3.00
15-18 inches	"	4.00

Our Evergreen are dug with ball of earth. Raise balled plants carefully, carry them at the ball and not the stem or top of plant. Do not attempt to handle when soft or wet. Do not use fresh manure when planting Evergreens; pack earth around the ball until tree or plant is firmly anchored, then open burlap gently at the stem and loosen from top of ball burying same, using several inches of fine soil on the surface.

Do not remove burlap from ball entirely.

EVERGREENS**Juniperus Hibernica (Irish Juniper)**

Very erect and tapering in its growth; silvery green foliage; a pretty little tree; very hardy and ornamental.

18 inches	each	\$2.50	per 10	each	\$2.25
24 inches	"	4.00	"	"	3.75
36 inches	"	6.00	"	"	5.50

Juniper Horizontalis Douglasi (Waukegan Juniper)

Another trailing Juniper of steel blue foliage turning to purple in autumn.

15-18 inches	each	\$3.75	per 10	each	\$3.50
--------------------	------	--------	--------	------	--------

Juniperus Pfitzeriana

Has a spreading habit of rich silvery green foliage, very fine in appearance; one of the best for low planting.

12-18 inch spread	each	\$ 3.00
18-24 inch spread	"	4.50
24-30 inch spread	"	6.50
30-36 inch spread	"	8.00

Juniperus Sabina (Cypress Savin Juniper)

This plant is of a spreading habit; dark green foliage, which color it maintains all year.

15-18 inches	each	\$ 3.00
18-24 inches	"	4.00

6 -6 feet heavy " 8.50 " 8.00

6 -7 feet heavy each 10.00

7 -8 feet heavy each 15.00

Thuja Occidentalis Hoveyi (Hovey Arbor Vitae)

Oval in shape, nearly as broad as high. Bright green foliage.

12-18 inches spread each \$3.00 per 10 each \$2.75

18-24 inches spread " 4.00 " 3.75

24-30 inches spread " 5.00 " 4.50

Thuja Occidentalis Wareana (Siberian Arbor Vitae)

Broadly pyramidal, dense type with shiny, blue-green foliage.

12-18 inches each \$2.75 per 10 each \$2.50

18-24 inches " 3.50 " 3.25

24-30 inches " 4.50 " 4.25

Thuja Occidentalis Woodwardi

Natural Globe shaped, rather new, keeps its globe shape without trimming.

12-12 inches each \$2.50 per 10 each \$2.25

15-15 inches " 3.25 " 3.00

Thuja Pyramidalis (Pyramidal Arborvitae)

Narrow pyramidal growth, very suitable for formal plantings.

10-12 inches each \$1.75 per 10 each \$1.55

12-18 inches " 2.25 " 2.00

18-24 inches " 3.00 " 2.50

2- 3 feet heavy " 5.00 " 4.50

3- 4 feet heavy " 6.00 " 5.50

4- 5 feet heavy " 8.00 " 7.50

EVERGREENS

Thuja Vervaeana (Vervaeana Arbor Vitae)

Upright form with bronze winter effects.

18-24 inches	each \$4.00	per 10 each \$3.75
2- 3 feet	" 5.50	" 5.00
3- 4 feet	" 7.00	" 6.50

Tsuga Canadensis (Canada Hemlock)

One of our handsomest ornamental trees for lawn or forest plantings or for hedges. Stand severe clipping, does best in shade.

18-24 inches	each \$ 3.00
24-30 inches	" 5.00

Evergreens for Rock Gardens

Mugho Pines—Waukegan,—Pfitzeriana, Savin—Sabina Tamariscifolia—Excelsa Stricta—Prostrate Junipers.

Retinispora Filifera and Plumosa Taxus Canadensis—and Cuspidata and variety of Arbor Vitae in addition to Rock Plants quoted on pages 19 to 22.

SHADE AND ORNAMENTAL TREES

Acer Platanoides (Norway Maple)

A popular street tree; retains its green leaves until late autumn.

1½-2 inch caliper	each \$4.50
2 -2½ inch caliper	" 6.00
3 inch caliper	" 9.50
3½-4 inch caliper	" 12.50

Acer Dasycarpum (Silver or Soft Maple)

Quick growing, graceful shade tree; leaves silvery underneath.

1½-2 inch caliper	each \$3.25
2 -2½ inch caliper	" 4.50
3 - inch caliper	" 6.50

Acer Saccharum (Sugar Maple)

Ideal for lawn and street planting. One of our stateliest native trees, compact in growth, very fine green leaves changing to autumn tints in fall.

1½ inch caliper	each \$ 4.50
2 -2½ inch caliper	" 6.50
3 inch caliper	" 10.50

Acer Negundo (Boxelder)

This tree will grow where other trees fail; especially good for dry barren places.

10-12 feet high	each \$2.00
-----------------------	-------------

Ailanthus glandulosa (Tree of Heaven)

This is one tree that succeeds under most adverse conditions.

8-10 feet high	each \$2.50	per 10 each \$2.00
----------------------	-------------	--------------------

Betula Alba—laciniata (Cutleaf Weeping Birch)

Graceful tree for lawn planting.

5-6 feet	each \$3.50	per 10 each \$3.25
6-7 feet	" 5.00	" 4.50
7-8 feet	" 6.00	" 5.50

Betula Papyrifera (Canoe Birch)

Picturesque paper bark, very white when older.

1½-2 inches caliper	each \$3.00	per 10 each \$2.75
---------------------------	-------------	--------------------

Catalpa Bungei (Umbrella Catalpa)

This ornamental tree is becoming very much of a favorite, for its beautiful shaped crown make it quite an attraction, they are also very hardy and flourish in most any soil.

5-6 feet 1 year	each \$1.75	per 10 each \$1.50
5-6 feet 2 years	" 2.00	" 1.75

Celtis Occidentalis (Hackberry)

A native tree of strong growth with full spreading top and abundant leaves, excellent for street and lawn planting.

2 -2½ inch caliper	each \$ 5.00
3½ inch caliper	" 10.00
4 inch caliper	" 12.50

SHADE TREES**Cercis Canadensis (Redbud)**

A small tree branching irregularly from the ground, spreading in habit with smooth heart shaped leaves; has small pink flowers in early Spring a splendid tree for lawn.

4-5 feet high each \$1.75 per 10 each \$1.50

Crataegus (Paul's Scarlet Thorn)

A popular and superior variety. Flowers of bright carmine red.

4-5 feet each \$2.00 per 10 each \$1.75

5-6 feet " 2.50 " 2.25

6-7 feet " 3.00 " 2.75

Fraxinus Americana (American White Ash)

This well known native tree grows very tall with wide round head and dense foliage.

1½-1¾ inch caliper each \$3.25 per 10 each \$3.00

Juglans Nigra (Black Walnut)

A large growing tree, develops rapidly is ornamental and flowers in June.

1½-2 inches caliper each \$3.50

Liriodendron (Tulip Tree)

A large and stately tree suitable for lawn and street planting. Quick in growth forming a compact pyramidal head; leaves are dark green turning to yellow in the fall; has greenish yellow flowers shaped like tulips.

A sturdy tree that does well anywhere.

5-6 feet high each \$1.50

Malus Florabunda (Japanese Flowering Crab)

One of the handsomest, bright pink flowers buds, white flowers. Small yellowish fruit much liked by birds.

3-4 feet each \$1.25 per 10 each \$1.10

4-5 feet " 1.50 " 1.25

Malus Hopa (Red Flowering Crab)

A remarkable tree covered with rose colored blossoms in May. Very hardy and of striking beauty. Bark and foliage is dark red. N.W.

3-4 feet each \$1.25 per 10 each \$1.10

4-5 feet " 1.50 " 1.25

Malus Ioensis plena (Bechtel Crab)

Large double pink flowers with noticeable fragrance; vigorous grower.

2-3 feet each \$1.00 per 10 each \$0.90

3-4 feet " 1.50 " 1.25

4-5 feet " 2.00 " 1.75

5-6 feet " 3.00 " 2.75

Malus Niedzwetzkyana (Redvein Crab)

A Russian Turkestan species, remarkable for the red color of flowers, branches, leaves and fruit.

3-4 feet each \$1.25 per 10 each \$1.15

Malus Scheideckeri (Scheidecker Crab)

Small tree of pyramidal habit with small bright rose-colored flowers in great profusion.

4-5 feet each \$1.75 per 10 each \$1.50

5-6 feet " 2.00 " 1.75

Morus Tartarica Alba (Russian Mulberry Tree)

This tree is of quick growth very profuse foliage and very productive of fruit, as an attraction for birds this tree cannot be surpassed.

6-8 feet each \$1.00 per 10 each \$0.90

Morus alba pendula (Tea's Weeping Mulberry)

One of the most popular weeping trees.

5-6 feet 2yr. each \$3.50

Populus alba Richardii (Richard Poplar)

A new introduction in this section, leaves are yellow on surface and white underneath, very pretty.

4-5 feet each \$0.90

Populus Bolleana (Bolleana Poplar) Silver Pyramid

Similar columnar character to Lombardy Poplar.

6-8 feet each \$2.00 per 10 each \$1.75

8-10 feet " 2.50 " 2.25

Norway Poplar

A very distinct tree in habit of growing and making a straight, upright, somewhat pyramidal head. The foliage is large, thickly borne, bright and glossy. It grows rapidly in almost every soil.

1½-2 inches caliper each \$1.50 per 10 each \$1.25

Cornus Lutea (Yellow Dogwood)

Has distinct yellow bark; fine for winter effects.

2-3 feet each \$0.45 per 10 each \$0.40

3-4 feet " .55 " .50

Cornus Paniculata (Gray Dogwood)

2-3 feet each \$0.40 per 10 each \$0.35

3-4 feet " .50 " .45

Cornus Stolonifera (Red Dogwood)

Spreading habit, dark red bark, white fruits. Does well in moisture.

2-3 feet each \$0.40 per 10 each \$0.35

3-4 feet " .50 " .45

4-5 feet " .60 " .55

Cotoneaster Acutifolia (Black Fruited Quinceberry)

Very fine dark green glossy foliage. Red flowers, black fruit, and pretty autumn shades.

2-3 feet each \$0.40 per 10 each \$0.35

3-4 feet " .50 " .45

Cydonia Japonica (Japan Quince)

Spreading spiny branches; clusters of scarlet-red flowers.

12-18 inches each \$0.45 per 10 each \$0.40

18-24 inches " .60 " .55

2-3 feet " .75 " .70

Desmodium (Tick Trefoil)

Penduliflorum, An exceedingly graceful shrublike plant covered with purplish-red flowers in summer when other shrubs are through blooming.

each \$0.55 per 10 each \$0.50

Deutzia Lemoine (Dwarf Shrub)

Spreading shrub, with very showy flowers.

18-24 inches each \$0.50 per 10 each \$0.45

2-3 feet " .60 " .55

Deutzia (Pride of Rochester)

Strong growing shrub; very profuse bloomer; large double white flowers tinged pink.

2-3 feet each \$0.40 per 10 each \$0.35

3-4 feet " .50 " .45

4-5 feet " .60 " .55

Elaeagnus Angustifolia (Russian-Olive)

Silver-gray leaves and branchlets, orange berries; good for massing, flowers pale yellow.

2-3 feet each \$0.50 per 10 each \$0.45

3-4 feet " .60 " .55

4-5 feet " .70 " .65

Euonymus Alatus, (Cork Bark Shrub)

Attractive corky bark, crimson autumn coloring. Makes fine specimen shrub.

2-3 feet each \$1.50

3-4 feet " 3.50

Euonymus Americana (Burning Bush)

Pink fruits; prefers moist locations.

3-4 feet each \$0.75

4-5 feet " .90

Euonymus Europaeus (European Burningbush)

Brilliant yellow and scarlet fruit in Autumn completely covering the tree.

3-4 feet each \$0.75

ORNAMENTAL SHRUBS

Exochorda Grandiflora (Pearlbush)

Slender spreading shrub with masses of large pure white flowers during April and May, very attractive.

2-3 feet	each \$0.60	per 10 each \$0.55
3-4 feet	" .70	" .65

Forsythia Fortunei (Golden Bell)

Upright habit with finely arching branches.

3-4 feet	each \$0.50	per 10 each \$0.45
4-5 feet	" .60	" .55

Forsythia Intermedia (Border Golden Bell)

Bright yellow flowers in April before leaves unfold. Profuse and beautiful.

3-4 feet	each \$0.50	per 10 each \$0.45
4-5 feet	" .60	" .55

Hamamelis Virginiana (Witch Hazel)

Yellow ribbon-like flowers, very bushy habit, fine foliage. Succeeds best in moist, half shady places, blooms in late autumn.

2-3 feet	each \$0.60	per 10 each \$0.55
----------	-------	-------------	--------------------

Hydrangea Arborescens

A form with all flowers sterile and very showy, a striking and useful plant for underplanting and borders.

Medium Clumps	each \$0.65	per 10 each \$0.60
Large Clumps	" .75	" .70

Hydrangea Paniculata Grandiflora

Bears long, loose panicles of white flowers, August

18-24 inches	each \$0.65	per 10 each \$0.60
2- 3 feet	" .75	" .70
3- 4 feet	" .85	" .80

Paniculata Grandiflora (Tree Form)

Identical with above bush form, but trained in tree shape. Very ornamental and pleasing for either background planting or individual specimens.

2-3 feet	each \$1.25	
3-4 feet	" 1.50	

Hypericum densiflorum

A shrub covered with mass of bright yellow flowers in late summer.

2-3 feet	each \$0.50	per 10 each \$0.45
----------	-------	-------------	--------------------

Kerria Japonica (Double Flowering)

Flowers of rich yellow borne along the slender and graceful stems of bright green color. One of the first to blossom in the spring.

18-24 inches	each \$0.60	per 10 each \$0.55
2- 3 feet	" .70	" .65
3- 4 feet	" .80	" .75

Ligustrum Amurense (Amoor Privet)

A hardy upright hedge plant can be pruned into any desired shape bears small white fragrant flowers.

1½-2 feet	each \$0.20	per 10 each \$0.15
2 -3 feet	" .25	" .20
3 -4 feet	" .30	" .25

Ligustrum Ibota (Japan Privet)

Good dense habit; flowers white and fruits freely. Decorative black berries. Very hardy.

1½-2 feet	each \$0.20	per 10 each \$0.15
2 -3 feet	" .25	" .20

Ligustrum Lodense

This makes a very pretty hedge for a formal garden as it retains its foliage of dark green well into autumn. (Can be kept dwarf).

12-18 inches	each \$0.35	per 10 each \$0.30
--------------	-------	-------------	--------------------

Ligustrum Regalianum (Regal Privet)

Makes a splendid, low, dense hedge; also good in shrubbery or evergreen plantings. Very desirable.

18 -24 inches	each \$0.35	per 10 each \$0.30
2 -2½ feet	" .40	" .35
2½-3 feet	" .50	" .45

Lonicera Bella Albida (Honeysuckle)

A handsome hybrid of strong growth flowers white, in great fragrant clusters, followed by attractive ropes of red berries.

2-3 feet	each \$0.40	per 10 each \$0.35
3-4 feet	" .50	" .45

ORNAMENTAL SHRUBS

Lonicera Chrysantha (Creamy Bell Honeysuckle)

Flowers yellowish-white changing to yellow; handsome bright red fruit in Autumn.

2-3 feet	each	\$0.40	per 10 each	\$0.35
3-4 feet	"	.50	"	.45

Lonicera Morrowi (Chinese Honeysuckle)

Pure white flowers and blood-red fruit.

2-3 feet	each	\$0.40	per 10 each	\$0.35
3-4 feet	"	.50	"	.45
4-5 feet	"	.60	"	.55

Lonicera Tartarica Alba (White Honeysuckle)

Similar to Red Tartarian but with pure white flowers.

2-3 feet	each	\$0.40	per 10 each	\$0.35
3-4 feet	"	.50	"	.45
4-5 feet	"	.60	"	.55

Lonicera Tartarica Rosea (Red Honeysuckle)

2-3 feet	each	\$0.40	per 10 each	\$0.35
3-4 feet	"	.50	"	.45

Lonicera Tartarica Rubra (Red Honeysuckle)

2-3 feet	each	\$0.50	per 10 each	\$0.45
3-4 feet	"	.60	"	.55

Philadelphus Aurea (Golden Mock Orange)

Dwarf compact form. Yellow leaves, white flower.

15-18 inches	each	\$0.80	per 10 each	\$0.75
--------------	-------	------	--------	-------------	--------

Philadelphus Coronarius (Mock Orange)

Robust form with large, conspicuous white flower.

2-3 feet	each	\$0.40	per 10 each	\$0.35
3-4 feet	"	.50	"	.45
4-5 feet	"	.60	"	.55
5-6 feet	"	.75	"	.70

Philadelphus Grandiflora (Large Flowered Mockorange)

Has no fragrance. Glossy white flowers.

2-3 feet	each	\$0.40	per 10 each	\$0.35
3-4 feet	"	.50	"	.45
4-5 feet	"	.60	"	.55
5-6 feet	"	.75	"	.70

Philadelphus Virginal

Beautiful semi double flowers produced intermittently all summer.

2-3 feet	"	.70	"	.65
----------	-------	---	-----	---	-----

Potentilla Fruticosa (Shrubby Cinquefoil.)

Showy bright yellow flowers throughout the Summer.

1-1½ feet	each	\$0.50	per 10 each	\$0.45
-----------	-------	------	--------	-------------	--------

Prunus Persica (Double redflowering Peach)

An old fashioned shrub.

2-3 feet	each	\$1.00	per 10 each	\$0.90
3-4 feet	"	1.25	"	1.15

Prunus Pumilla (Sand Cherry)

Fruit purple-black, scarcely edible.

2-3 feet	each	\$0.35	per 10 each	\$0.30
3-4 feet	"	.45	"	.40
4-5 feet	"	.55	"	.50

Prunus Triloba (Double Flowering Plum) Bush Form

Double pink flowers, April-May. Handsome and useful.

2-3 feet	each	\$0.90	per 10 each	\$0.85
3-4 feet	"	1.15	"	1.00

Rhamnus Cathartica (Common Buckthorn)

Dark green leaves, black berries. Valuable background shrub.

2-3 feet	each	\$0.40	per 10 each	\$0.35
3-4 feet	"	.50	"	.45

Rhamnus Frangula (Glossy Buckthorn)

Reddish black berries, dense foliage.

2-3 feet	each	\$0.40	per 10 each	\$0.35
3-4 feet	"	.50	"	.45

Rhodotypus Kerrioides (Jethead)

Fresh green foliage, pure white flowers, May-June. Shining black bead-like berries all winter.

1-1½ feet	each	\$0.50	per 10 each	\$0.45
2-3 feet	"	.60	"	.55

ORNAMENTAL SHRUBS

Rhus Canadensis Aromatica (Fragrant Sumac)

Clusters of small yellow flowers, April-May. Most attractive in June when covered with coral-red fruits. Withstands drought.

1½-2 feet	each \$0.55	per 10 each \$0.50
2-3 feet	" .70	" .65

Rhus Typhina Laciniata (Cutleaf Sumac)

Leaves are finely cut, giving attractive feathery appearance.

2-3 feet	each \$0.55	per 10 each \$0.50
3-4 feet	" .65	" .60
4-5 feet	" .75	" .70

Ribes Alpina (Mt. Currant)

A gay flowering shrub in early spring; very easy to cultivate. and trim into hedges.

2-3 feet	each \$0.50	per 10 each \$0.45
----------------	-------------	--------------------

Ribes Odoratum Aureum (Golden Currant)

Fragrant yellow flowers in May. Useful for under planting.

2-3 feet	each \$0.60	per 10 each \$0.55
----------------	-------------	--------------------

Robinia Hispida (Rose Acacia) Bush Form

Rosy pink, attractive flowers. May-June. Soon develops into a mass, can also be had in tree form, see quotations under trees.

2-3 feet	each \$0.70	per 10 each \$0.65
3-4 feet	" .80	" .75

Rosa Multiflora Japonica (Japanese Rose)

A vigorous growing free flowering fragrant shrub, good for Bank and Mass planting.

3-4 feet	each \$0.50	per 10 each \$0.45
4-5 feet	" .60	" .55

Rosa Rubiginosa (Sweetbriar)

Bright pink flowers, June, good foliage with aromatic odor.

2-3 feet	each \$0.40	per 10 each \$0.35
3-4 feet	" .50	" .45

Rosa Rugosa (Red Rugosa Rose)

Handsome shrubs, large pink flowers, June-Sept. Rich green foliage and large red fruit; useful either in shrubby border or as hedge.

2-3 feet	" .50	" .45
3-4 feet	" .60	" .55

Rosa Setigera (Illinois Rose)

Deep Rose flower, June-July. Vigorous grower, good for Bank and Mass planting.

2-3 feet	each \$0.50	per 10 each \$0.45
3-4 feet	" .60	" .55

Rosa Rugosa Hybrid

F. J. Grootendorst, bright crimson. Hansa, red.

Sir Thomas Lipton, white, double.

2 years	each \$0.75	per 10 each \$0.70
---------------	-------------	--------------------

Rosa Hugonis (Golden Rose of China)

A very desirable border rose with attractive yellow flowers, one of the best of yellow roses.

2 years	each \$0.75	per 10 each \$0.70
---------------	-------------	--------------------

Roses Climbers in Variety

Climbing American Beauty, red flowers like bush roses of that name.

Dorothy Perkins, shell-pink.

Excelsa, (Red Dorothy Perkins

Paul's Scarlet, vivid scarlet.

2 years	each \$0.65	per 10 each \$0.60
---------------	-------------	--------------------

Roses Hybrid Perpetuals General Assortment

Alfred Colomb, dark red. Anna de Diesbach, shell pink.

Frau Karl, magnificent snow white.

Paul Neyron, pink shading to rose.

Mrs. J. Laing, shell pink, one of the best free bloomers.

Soliel d'Or, changing from orange yellow to reddish gold.

—Ulrich Brunner, brilliant cherry red.

Hybrid Teas in Variety General Assortment

Gruss an Teplitz, vivid fiery red, always in bloom.

Killarney, bright shell pink.

Lady Hillingdon, deep yellow excellent for cutting.

Mme. C. Testout, large bright satiny red rose, Portland, Oregon, street rose.

Radiance, pink king of the tea roses.

2 years	each \$0.75	per 10 each \$0.70
---------------	-------------	--------------------

2 years	each \$0.75	per 10 each \$0.70
---------------	-------------	--------------------

ORNAMENTAL SHRUBS**Sambucus Canadensis (Common Elder)**

Shrub to 12 feet. Cymes of white flowers 10 inches across in June or July.

2-3 feet	each \$0.40	per 10	each \$0.35
3-4 feet	" .50	"	.45
4-5 feet	" .60	"	.55

Sambucus Nigra Aurea (Golden Elder)

Variety with golden-yellow leaves. Useful in some locations.

2-3 feet	each \$0.45	per 10	each \$0.40
3-4 feet	" .55	"	.50
4-5 feet	" .65	"	.60

Sambucus Racemosus Pubens (Scarlet Elder)

White flowers in April-May. Bright red fruits ripens in June. Very attractive.

2-3 feet	each \$0.50	per 10	each \$0.45
----------------	-------------	--------	-------------

Spiraea Anthony Waterer

Low shrub, very free-flowering, bright crimson.

12-18 inches heavy	each \$0.50	per 10	each \$0.45
18-24 inches heavy	" .60	"	.55

Spiraea Arguta (Garland Spiraea)

Small light green leaves; very free flowering. May. Similar to, but more vigorous than thunbergi.

18-24 inches	each \$0.40	per 10	each \$0.35
2- 3 feet	" .50	"	.45
3- 4 feet	" .60	"	.55

Spiraea Billardi (Pink Flowers)

Bright pink fluffy flower spikes, July-October. Valuable for dry places.

2-3 feet	each \$0.40	per 10	each \$0.35
3-4 feet	" .50	"	.45

Spiraea Callosa Alba (Japanese Spiraea)

White, June-July. Purplish-green foliage when young.

12-18 inches	each \$0.40	per 10	each \$0.35
--------------------	-------------	--------	-------------

Spiraea Douglassi (Douglas Spiraea)

Beautiful deep rose-colored flowers in spikes, in July and August.

2-3 feet	each \$0.40	per 10	each \$0.35
3-4 feet	" .50	"	.45

Spiraea Froebeli, (Froebel Spiraea)

Related to bumalda but a taller plant with bright crimson flowers.

18-24 inches	each \$0.45	per 10	each \$0.40
--------------------	-------------	--------	-------------

Spiraea Latifolia

Same as the Salicifolia but somewhat larger foliage.

2-3 feet	each \$0.50	per 10	each \$0.45
3-4 feet	" .60	"	.55

Spiraea Opulifolia (Nineback Spiraea)

3-4 feet	each \$0.50	per 10	each \$0.45
4-5 feet	" .60	"	.55

Spiraea Opulifolia Aurea (Golden Nineback)

Wide-spreading and recurving branches.

1½-2 feet	each \$0.35	per 10	each \$0.30
2 -3 feet	" .45	"	.40
3 -4 feet	" .55	"	.50

Spiraea Prunifolia (Bridal Wreath).

White, May. Free-flowering; handsome dark green shining foliage, turning orange in autumn.

2-3 feet	each \$0.55	per 10	each \$0.50
3-4 feet	" .65	"	.60

Spiraea Salicifolia

Light pink flowers foliage of willow leaf type NEW.

2-3 feet	each \$0.50	per 10	each \$0.45
3-4 feet	" .60	"	.55

Spiraea Sorbifolia (Ural False Spirae)

Fluffy heads of white flowers June-August.

2-3 feet	each \$0.50	per 10	each \$0.45
----------------	-------------	--------	-------------

Spiraea Thunbergi (Thunberg Spiraea)

Slender, arching branches clothed with pure-white flowers, April-May. Small, feathery, light-green leaves.

2-3 feet	each \$0.50	per 10	each \$0.45
----------------	-------------	--------	-------------

ORNAMENTAL SHRUBS

Spirea Van Houttei (Bridal Wreath)

White, May-June. Graceful habit. Extremely free flowering and very adaptable.

2-3 feet	each	\$0.40	per 10	each	\$0.35
3-4 feet	"	.50	"	"	.45

Symphoricarpos Racemosus (Snowberry)

Conspicuous, pink flowers, white berries, attractive foliage. Most adaptable, but best in half shady moist locations.

2-3 feet	each	\$0.40	per 10	each	\$0.35
3-4 feet	"	.50	"	"	.45

Symphoricarpos Vulgaris (Indian Currant)

Coral red berries, persisting throughout winter. Good for shade, and bank planting.

2-3 feet	each	\$0.40	per 10	each	\$0.35
3-4 feet	"	.50	"	"	.45

Syringa (French Lilac)

named varieties

These lilacs are the finest plants grown, and will prove very satisfactory as to bloom and foliage, they are far superior to the common lilac.

Chas. Joly violet color, d

Chas. X reddish purple, s

Mme. Lemoine white, d

Marie LeGraye white, s

Michael Buchner pale lilac, d.

Pres. Grevy, light blue, d

Ludwig Spaeth, purple, s

s designates single petal—d designates double petal.

18-24 inches high	each	\$0.75			
-------------------	-------	------	--------	--	--	--

Syringa Persica (Persian Lilac)

Slender arching branches. Flowers pale-lilac in loose broad panicles 3-4 inches long.

2-3 feet	each	\$0.60	per 10	each	\$0.55
3-4 feet	"	.70	"	"	.65

Syringa Villosa (Late Lilac)

A pale pinkish Lilac of bushy and compact habit blooms in late May and June.

3-4 feet	each	\$0.80	per 10	each	\$0.75
----------	-------	------	--------	--------	------	--------

Syringa Vulgaris Alba (White Lilac)

2-3 feet	each	\$0.60	per 10	each	\$0.55
----------	-------	------	--------	--------	------	--------

Blooms in early May.

Syringa Vulgaris (Purple Lilac)

2-3 feet	each	\$0.50	per 10	each	\$0.45
3-4 feet	"	.60	"	"	.55

Tamarix Hispida Aestivalis (Spanish Tamarix)

Flowers pink in dense racemes, 2-3 inches long in terminal panicles.

2-3 feet	each	\$0.45	per 10	each	\$0.40
3-4 feet	"	.60	"	"	.55

Viburnum Dentatum (Arrowwood)

White, May-June. Berries blue-black, autumn coloring purple and red; thrives in wet soil.

1½-2 feet	each	\$0.50	per 10	each	\$0.45
2-3 feet	"	.65	"	"	.60
3-4 feet	"	.75	"	"	.70

Viburnum Lantana (Wayfaring Tree)

White, May-June. Handsome, dark green wrinkled leaves. Berries red, changing to black.

2-3 feet	each	\$0.75	per 10	each	\$0.70
3-4 feet	"	.90	"	"	.80

Viburnum Lentago (Nannyberry)

White, May-June. Handsome, shining leaves. Blue-black fruits. Splendid shrub for massing.

2-3 feet	each	\$0.70	per 10	each	\$0.65
3-4 feet	"	.80	"	"	.75

Viburnum Molle (Kentucky Viburnum)

Larger, darker green leaves, but otherwise similar to "dentatum."

18-24 inches	each	\$0.65	per 10	each	\$0.60
2-3 feet	"	.75	"	"	.70

ORNAMENTAL SHRUBS

Viburnum Opulus (High Bush Cranberry)

2-3 feet	each \$0.65	per 10 each \$0.60
3-4 feet	" .75	" .70

Viburnum Opulus Sterilis (Common Snowball)

2-3 feet	each \$0.70	per 10 each \$0.65
3-4 feet	" .80	" .75

Weigelia Eva Rathke

Flowers rich reddish-purple.

2-3 feet	each \$0.65	per 10 each \$0.60
3-4 feet	" .75	" .70

Weigelia Rosea (Pink Weigelia)

Showy, pink flowers produced, June. Vigorous grower.

2-3 feet	each \$0.55	per 10 each \$0.50
3-4 feet	" .65	" .60

VINES

Ampelopsis Veitchi (Boston Ivy Vine)

This vine is used extensively to cover brick or stone buildings, the foliage is dense completely carpeting a surface and the autumn tints of green and red are unsurpassed for beauty.

3 years	each \$0.60	per 10 each \$0.55
---------------	-------------	--------------------

Ampelopsis Engelmanni, (Engelmann Creeper)

A good self-clinging woodbine; very hardy.

3 years	each \$0.50	per 10 each \$0.45
---------------	-------------	--------------------

Aristolochio Sipho (Dutchman's Pipe)

This is an exceptional vine of extra large leaves and flowers that resemble a pipe very attractive.

2 year grafts	each \$0.95	per 10 each \$0.90
---------------------	-------------	--------------------

Aristolochio Tomentosum (Dutchman's Pipe)

A very pretty large leaf vine.

2 years	each \$0.60	per 10 each \$0.55
---------------	-------------	--------------------

Bignonia Radicans (Trumpet Vine)

Showy trumpet shaped flowers, scarlet and orange in July. Roots as it climbs.

3 years	each \$0.50	per 10 each \$0.45
---------------	-------------	--------------------

Celastrus Orbiculatus (Japan Bittersweet Vine)

A native climber with handsome glossy foliage, and large clusters of beautiful orange-crimson fruits retained all winter. Very bright in effect and charming for winter house decoration.

3 years	each \$0.50	per 10 each \$0.45
---------------	-------------	--------------------

Clematis Jackmanni

Very large purple flower an extremely popular vine, in use very extensively. It pleases wherever used.

2 years plants	each \$0.90	per 10 each \$0.85
----------------------	-------------	--------------------

Clematis Mme Baron Veillard

Same type as Jackmanni but rose-lilac colored flowers, also in good demand.

Our Fruit Trees are very fine, now of bearing size, and you will be well pleased with them as they have been developed here in our Nursery and properly pruned to insure an abundance of fruit for years.

PERENNIAL AND HARDY ALPINE PLANTS

Our Perennials are grown from the choicest seed and stock plants obtained in this as well as European markets assuring you of the very finest in plants and blooms and far superior to the stock offered through the various channels of stores where the probabilities of obtaining what you expect and pay for are more often not realized, since this branch of their business is only seasonal and consequently cannot be given the attention that is necessary, and to which we obligate ourselves the entire year. We take the greatest care of all stock we propagate, and know that any item offered will give satisfaction to the customer, and in many instances far exceed their expectations.

We feel absolutely satisfied that any stock purchased from our Nursery will not only please, but will be the source of continued patronage from you, as past records are proof of this, since we enjoy the confidence and good will of thousands of customers. We earnestly solicit your business on Perennials, and know a trial order will make you a regular customer.

In our assortment we have endeavored to grow such plants as will give you the most attractive as well as best plants for all purposes, and in order to facilitate the selection thereof have marked such plants as are adaptable for rock plants with the * color of plant and time of bloom, also height of plant when in bloom " for inches and ' for feet.
